ATK Testing

A reminder that as we continue to move towards normalcy ATK tests are no longer required for entry to school for students, staff, parents or visitors from this weekend.

Primary

Year 1 and Year 2 have been innovating the diary of Pirate Jed. They have changed some of the characters and events. This will eventually lead to the children writing their own diary entries. In mathematics, Year 2 have continued to work with money, this week moving on to pounds. Year 1 children have been learning about teen numbers, they have been representing numbers in a variety of ways such as using tens frames and bead strings. In IPC the children have been learning about oceans and shipping routes. Linked to their English text, Leon and the Place Between, everyone in Year 3

practised and performed a fantastic magic trick, with Year 4 as their audience. In mathematics the students have been revisiting addition and subtraction using the vertical method. Some people were very confident to explain to their friends how to borrow and regroup, when necessary. Year 4 have been expanding their knowledge on division this week by looking at dividing 3-digit numbers. The students have also written diary entries linked to their class boo, and then edited and improved their writing skills; setting their next writing targets. In IPC, Year 6 students continued 'The Holiday Show'. They have started to plan a project to create a website using Google Sites and become 'Travel Writers'. Their website will hopefully persuade viewers to want to travel to a country, visit famous landmarks and much more!

Chinese New Year

Everyone enjoyed the Chinese New Year celebrations on Monday 23 January. Thank you to all of the parents who joined students and staff for a parade before watching the Lion Dance. In the afternoon there were some amazing performances and then a host of special activities that students completed in house teams. Well done to everyone who participated. Photos are below and on the next page.

DATES FOR YOUR DIARY

Monday 16 January – Saturday 21 January

Monday 30 January	
ASA Programme	
Tuesday 31 January	
ASA programme	
Wednesday 1 February	
ASA programme	
Thursday 2 February	
ASA programme	
Friday 3 February	
ASA programme	
Saturday 4 February	
Dorm trip to Backyard 168 Outdoor Cinema	

a reminder:

- Attendance to school is important! Research shows that students who are absent for more than 10% of lessons will make much less progress than students attending at least the expected 95% of lessons.
- Please avoid missing school days unless unavoidable!
- Students in Year 1 to Year 12 should be in school by 07:45. Late students miss learning and key information.
