

# The St. Stephen's International School Khao Yai Weekly Bulletin

2022 - 2023 Bulletin 15: Monday 13 February 2023

## Fashion Show

On Tuesday 7 February, students from Year 10 took part in a Fashion Show with a difference. The challenge — they had to make their outfits out of materials that could be reused. The students learnt about design, how to conserve limited resources and also had a lot of fun! Photos are below:

## DATES FOR YOUR DIARY

Monday 13 February— Friday 17 February

### Monday 13 February

ASA Programme

### Tuesday 14 February

ASA programme

### Wednesday 15 February

Parents Meetings (15:30—17:00)  
No ASA programme

### Friday 17 February

Parents Meetings (15:30—17:00)  
No ASA programme  
End of Half-Term

## Primary

This week Year 1 and Year 2 have really been able to show their progress in writing with their pirate diary entries. The children even published one of their diaries for display. In IPC, Year 3 have carried on their work on Temples, Tombs and Treasures. They have researched, written instructions and made their own cartouche out of clay - and then scratched their names using hieroglyphs into the centre of their cartouche. Year 3 have also continued their English text, which has required them to use their imagination as to what they think Leon will find in "The Place Between". Year 4 have been writing their own fiction stories this week after finishing their class text, Marcy and the Riddle of the Sphinx. For the exit point of their current IPC topic the students are planning and designing a board game with an Ancient Egyptian theme. In Year 5, students have continued working on their topic: The Holiday Show. Students have learned all about the wonders of the world, both natural and manmade and even compiled their own list of places they think should be considered and why. They have continued to work on and edit their websites and completed their wonderful art project on vintage travel posters. These will be going up outside the classroom.

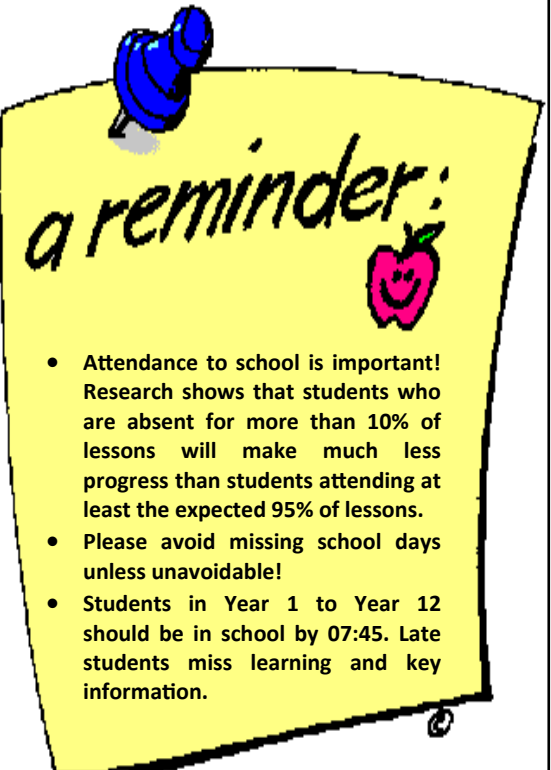

Please have a look at the QR codes when you see them and vote for the place you would like to visit most. There's a prize for the winning destination. The Year 6 students have continued 'The Holiday Show'. They have created a website about a country they hope to persuade others to visit. They have also designed and produced an accompanying vintage-style poster for their country. They are looking forward to sharing this learning with others next week.

## Parents Meetings End of Half-Term Arrangements

We will have parent meetings taking place during the week starting Monday 13 February. On Wednesday 15 February will be online meetings with primary homeroom teachers and subject staff by appointment only. On Thursday 16 February and Friday 17 February between 15:30 and 17:00 we will have face to face parent-teacher meetings. Primary homeroom tutors are in their homerooms, with all other teachers in the Study Hall. Parents are requested to pick their child up promptly at the end of the school day as staff will be involved in parent meetings. After school activities will take place as usual on Monday 13 February and Tuesday 14 February but will not take place for the rest of the week because of the parent-teacher meetings.

## Term Arrangements

Friday 17 February is the end of this half-term and school will finish at the usual time. The new half-term start on Monday 27 February.

- Attendance to school is important! Research shows that students who are absent for more than 10% of lessons will make much less progress than students attending at least the expected 95% of lessons.
- Please avoid missing school days unless unavoidable!
- Students in Year 1 to Year 12 should be in school by 07:45. Late students miss learning and key information.
